

**2024 Justice for All
Fellowship Application**

OVERVIEW

The Ohio Access to Justice Foundation (the Foundation) will award two-year Justice for All Fellowships to outstanding recent law school graduates with a passion for public service. The host organization must be a 501(c)3 and must have an established civil legal services program in Ohio that has been in existence for no less than three (3) years and engages in direct client representation.

Fellows will receive a competitive salary and benefits from the host organization and are eligible to participate in the Foundation's loan repayment assistance program. The Foundation will provide the host organization with a grant during each year of the fellowship (up to \$75,000) to support the fellow's salary and benefits.
